Subject: Exempt Gabriola Island Park 707

Dear Ms. Thorpe,

I'm writing because I am concerned that camping is permitted in Park 707 on Gabriola Island. It is a tremendous task and can't possibly fall and on our fire department to prevent campers from building fires in this large park. We've had extremely dry weather with the exception of yesterday's rain fall and we have a fire band presently. Do the right thing please and exempt Park 707 from by law 1801.

Sincerely,
Suzanne Walters
Gabriola Island resident
