

**Delegation:** H. Geraedts

**Summary:**

Year over year 2023-2027 taxation implications for Area E residents of bylaw 899.02 are unmatched in Canadian federal, provincial, regional and municipal history.

Based on supporting RDN material, not only don't we need a referendum of any sort to confirm that the bylaw proposal is fundamentally undemocratic and the proposal as tabled would therefore, appear to run counter to basic board fiduciary obligations.

On those grounds alone, bylaw 899.02 must be rescinded.
