re: Electoral Meeting, June 8, 2023 at 1:00pm. Please Cancel!! due to Improper Public Consultation Process

We are Dr. Fred and Carol Dowe of Qualicum Beach,[presently back east at serious medical appointments] spoke and wrote you many times of the impending delegation protocol to the RDN, so that we would be included in the Proper Public Consultation Process, so we would not be omitted from the process, and were assured you would let us know ahead of time so we could make application. You said there are 2 Board RDN meetings, agenda being posted on the Thursday prior to the Tuesday meeting. What happened? Who is driving this force? We were very concerned since this process was not honoured at the Qualicum Beach cell tower and Town Council, and the BC Ombudsperson decision was to require an apology and publicly announce this and retrain staff to properly give the right Public Consultation Process.

Please stop this unfair and improper Public Consultation Process of this meeting today, June 8 at 1:00pm.

There is a Doctor traveling from some distance as part of the delegation that has to be notified as well as the delegations to appear. You have many many letters and there are many petition signatures OPPOSED to this Hodges Road 205 foot cell tower. Please stop this Action, until people are notified property.

Is not a proper public consultation process
sacred in our Regional District of Nanaimo? Please search
this with all your hearts. We are praying for a right and
proper procedure going forward.

Dr. Fred and Carol Dowe, [REDACTED]

Please write us, and the Delegation team as soon as possible.
