

Meeting Type, Date, and Time: Board, June 27, 2023, 1 PM

Delegation: Marcus Schluschen

Summary: My presentation will focus on the urgent need for sufficient knowledge for decision makers, in the highly specialized field of EMF radiation, emitted by cell towers and other sources.

Action Requested: Refuse TELUS/Rogers cell tower application, based on knowledge of the latest science, including long term, environmental implications.

*Please note: This delegation plans to attend virtually.
They will not have a presentation.*
