

2 Looking north along the undeveloped trail corridor (Provincial Crown Land)—old railway grade.

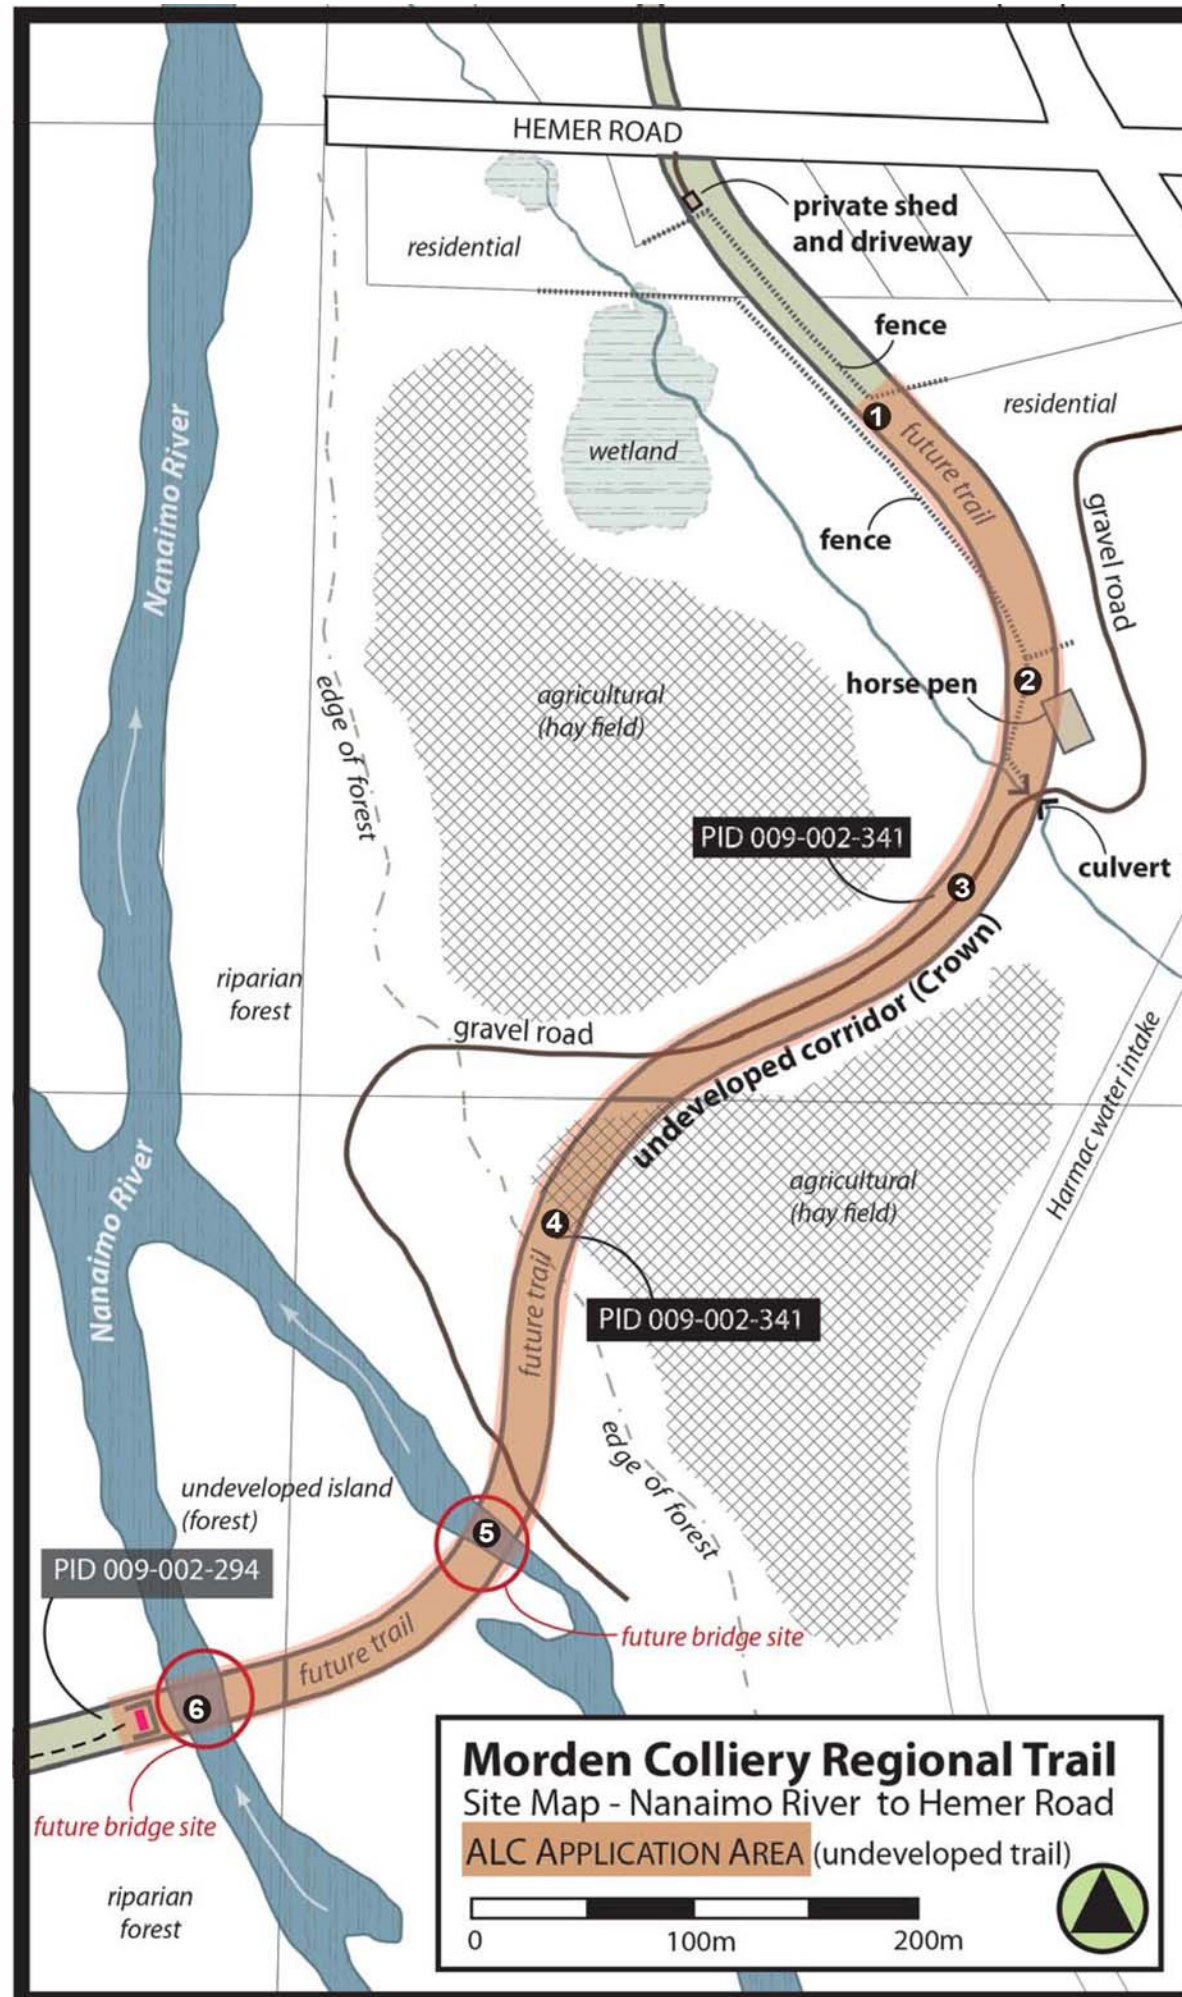

4 Looking north from the undeveloped trail corridor, through a forest clearing to adjacent hay fields.

6 West channel of the Nanaimo River within the Morden Colliery Regional Trail corridor (Provincial Crown Land). Future site of pedestrian bridge crossing.

MORDEN COLLIERY REGIONAL TRAIL (RDN)
ALC Application, January 2016

1 Looking southwest at low-lying hay fields from undeveloped trail corridor above .

3 Looking south along the trail corridor (Provincial Crown Land) at existing gravel road accessed by neighbouring property owner.

5 East channel of the Nanaimo River within the Morden Colliery Regional Trail Corridor. Future site of pedestrian bridge crossing.

NOTE: Appropriate measures to reduce impact on agricultural lands will be determined in discussion with the ALC and neighbouring land owners. Possible measures include fencing, signage, trail surfacing and trail rerouting, as required.
