

Meeting: January 9, 2024 Regular Board Meeting

Delegation: Patricia Widdershoven & Sheila Parry, Nanoose Bay Activities & Recreation Society NBARS

Subject: Nanoose Place update

Summary: Nanoose Place is 31 years old and the daycare is a 1972 double-wide that has been renovated. Both buildings need a new roof, and we as a not-for-profit need to have the engineering report to apply for other corporate and Government grants to do the much-needed "deferred maintenance" and updates.

Action Requested: Funding of an Engineering report for all of the facilities and buildings at 2975 Northwest Bay Rd Nanoose Bay including the roofs, and electrical, HVAC, plumbing & septic systems of the Main Hall Building and Daycare building.

*Please note: This delegation plans to attend in person.
They will not have a presentation.*
