

Building Permit  
**Building Strata Declaration**

Applicant Name:	
Project Address:	
Legal Description:	

**It has been identified that the above noted property is located within a building strata.** Accordingly, as part of the application for building permit, we request you submit a resolution authorizing the proposed building permit to proceed approved by a  $\frac{3}{4}$  vote of the strata corporation. If a functioning strata corporation does not exist, we request that this form be completed by all registered owners of each strata lot belonging to the building strata.

The undersigned are the registered owners of all strata lots within the building strata related to the above-mentioned property. The owners acknowledge that the property is part of a building strata, where zoning regulations apply to the parent parcel and the zoning provisions are shared by the strata lots. Furthermore, the owners are aware of the intent of the above-mentioned property owner to submit a building permit application for:
