

March 12, 2025

Dear Mr. Myers,

Thank you for taking the time to meet with me yesterday, March 10. As I mentioned Nanaimo is hosting the 2025 Plus 55 BC Games, September 9-12. My responsibility is transportation of participants and others to and from the various venues and lodgings. We will be arranging for approximately 50 volunteers using their own or loaned 4 to 7 passenger vehicles. This service is as needed with a 24 hour advance notice.

There are 4 events that we will need 40 foot high capacity vehicles to move people on a shuttle basis.

1] The Opening Ceremony takes place at Serauxman Stadium on September 10 at 6:30PM till 7:30PM

We anticipate two routes for this event, one from Beban Park to Serauxman between and the second from Downtown Nanaimo to Serauxman. Both routes would be needed from 5:30PM till 6:30PM and the return shuttle between 7:30PM and 8:30PM

2] There will be a Sponsors Reception at the Nanaimo Museum following the Opening Ceremonies from 8:00PM till 9:00PM. I anticipate that this need would be accommodated by the return trips from Serauxman to Downtown Nanaimo.

3] On September 11 from 5:30PM till 9:30PM there is a Participant special event at the VI Conference Centre. I anticipate the need for a shuttle between 5:00PM and 6:00PM from Beban Park and the Conference Centre and a return shuttle to Beban Park from 9PM till 10PM.

4] The final event is the passing of the flag and a participant dance at the VI Conference Centre on September 12 from 6:30 PM till 9:30PM. The need for a shuttle service would be from 5:30PM till 6:30PM from Beban to the Conference Centre. The return shuttle would be from 9:00PM till 10:00PM.

Three of the twenty six sports are team sports, Hockey, soccer and slow pitch. At the moment I am not aware of the potential need for group transportation of teams involved. Smaller busses of 12 to 20 passengers may be needed for this. I will not know the need until the registration forms arrive in June/July.

I am happy to attend a meeting to answer any questions. However I am away for the month of May but could arrange for someone else to attend in my place.

Thank you for your consideration.

Jim Turley

Director of Transportation

Plus 55 BC Games Nanaimo
