Dear Phyllis Carlyle,

**Re: CLIMATE EMERGENCY**

At the 2019-APR-29 Regular Council meeting, the Council of the City of Nanaimo unanimously passed the following motion:

*"That Council direct staff to send a correspondence to the Regional District of Nanaimo requesting the addition of 20,000 annual public transit hours to improve public transit service delivery within the City of Nanaimo and to develop transit routes that connect our local system with inter-regional connections."*

We look forward to working with the Regional District of Nanaimo in the development of additional public transit hours as the City of Nanaimo has officially declared a climate emergency for the purposes of identifying and deepening our commitment to protecting our economy, our eco systems, and our community from global warming.

Sincerely,

Leonard Krog
