Subject: Request for Statements of Qualifications Inventory of Recreation Services in Electoral Area A

RECOMMENDATION

That the Request for Statements of Qualifications be issued to conduct an inventory of existing recreation services, programs and facilities within Electoral Area A.

SUMMARY

The intent of the Request for Statements of Qualifications (RFSQ) is to fulfill a recommendation made by the Electoral Area A Parks Recreation and Culture Commission (PRCC) in April 2019 for an inventory of existing recreation programs, services and facilities within the electoral area to be completed. This inventory will provide the Commission and the RDN Board information on the current recreation programs, services and community facilities in Electoral Area A.

BACKGROUND

At the April 2019 the Electoral Area A PRCC meeting the Commission made a recommendation that current recreation program opportunities, services and recreation facilities in the community be identified. On May 28, 2019 the RDN Board supported the recommendation with the following resolution:

That staff provide a draft Terms of Reference document to guide a Recreation Needs Assessment within Electoral Area A to the Electoral Area A Parks, Recreation and Culture Commission for review at the June 2019 meeting.

A RFSQ that would be used to secure a consulting firm to undertake the work has been prepared.

The retained consulting firm will complete a comprehensive inventory of existing recreation programs, services and community facilities within Electoral Area A.

ALTERNATIVES

1. That the Request for Statements of Qualifications be issued to conduct an inventory of existing recreation services, programs and facilities within Electoral Area A.
2. That alternate direction be provided to staff.

FINANCIAL IMPLICATIONS

While the issuance of a RFSQ does not have any financial implications, the intention is to enter into a services contract with a proponent. Based on experience staff estimate the cost of carrying out the work identified in the RFSQ to be between ten (\$10,000) and twelve thousand dollars (\$12,000).

The 2019 Electoral Area A Financial Plan has a current balance of \$94,113 for professional fees that would fund the work outlined in the RFSQ.
