We have a fish bearing Creek (Domay Creek) in front of our property and a heron rookery in back of our property with a unoccupied lot to the east of our property. As of September of this year the lot owners are going to start building a 2 story house on this lot. On June 7th, Todd Manning of Canadian Wildlife Services spoke to us saying there were 19 active nests in 2017. He will be back to count the birds and nests in the next 2 weeks.

We are hoping that Bylaw 500.426 will offer some protection for the wildlife in our area.

In the past variances have been granted with many objections in the neighbourhood. Hopefully this bylaw will offer more protection for the wildlife in our district.
